It is the moral obligation for all Catholic parents to insure the religious education in the faith of their children (K-12). This can either be done through attendance for children at a Catholic school, the Parish School of Religion (PSR) on Sundays, or a homeschooling plan approved by Fr. J.

Los domingos durante Cuaresma, se pasará la serie en DVD del Obispo Barron sobre los líderes más importantes de la iglesia, en la cafetería de la escuela Santa Ana desde las 6:30 de la tarde hasta las 8:00 de la noche.

Es la obligación moral de todos los padres católicos de asegurar la educación religiosa en la fe de sus hijos (K-12). Esto se puede hacer a través de la asistencia para niños en una escuela católica, la Escuela Religiosa de la Parroquia (PSR) los domingos, o un plan educativa en el hogar aprobado por el Padre. J.

TREASURES FROM OUR TRADITION

Later this week, the Chrism Mass is celebrated in every cathedral in the world in preparation for the Easter Triduum. Only a bishop can consecrate chrism, pure olive oil infused with rich fragrance, so this liturgy is a sign of the unity of the local Church and the bishops ministry to all who will be baptized and confirmed in our parishes in the coming year. Chrism is also used in the ordination of priests and bishops and the consecration of new altars. Two other sacramental oils, the unscented olive oil for catechumens and for the sick, will be blessed in the same liturgy and transported carefully to every parish by the beginning of the Triduum.

Remember when Noah's dove returned with the sign of the world's rebirth? The dove carried an olive branch, a pledge that God was breathing the world to life again. Yet olives require human nurture. Olives are inedible unless they are cured by human labor. Olive trees grow on sunny slopes, away from the shade of city walls, so they can only be properly tended, cured, and laboriously pressed in peace time. The Chrism Mass with its olive oils expresses God's deepest desires for us, and our resolve to place our lives in service to God's saving, healing, loving plan.

TRADICIONES DE NUESTRA FE

La liturgia oficial de la Iglesia para el Domingo de Ramos es algo paradójica. Entramos proclamando Hosannas con cantos y vitoreas y al poco tiempo estamos gritando:

¡crucifícalo, crucifícalo! Según el rito la lectura del Evangelio y la consagración de la Eucaristía se hacen dentro del templo, pero se comienza afuera del templo con la bendición de los ramos.

En los Estados Unidos y otros países latinoamericanos se usan palmas en lugar de ramos. En Europa, normalmente, se usan ramos de olivos. Últimamente en Colombia para proteger la palma de cera del Quindío, se les ha pedido a los fieles que usen ramitas de plantas o ramos de flores. Estoy de acuerdo hay que proteger el ambiente, pero admito que prefiero las palmas, ya que es difícil poner un ramo de olivo o de flores detrás de una imagen sagrada colgada en la pared. Esta es una costumbre latina que nos recuerda que los hosannas y el crucifícalo del domingo de ramos nos acompañan todos los días del año.
